

Cloverdale Community School Corporation
CHIRP Release

The Children and Hoosier Immunization Registry Program (CHIRP) is a secure web-based application that is administered by the Indiana State Department of Health. An immunization registry is designed to permanently store a person's immunization records in an electronic format.

Information that will be released by include name, immunization data, and other information such as date of birth or identifying information as applicable.

I understand that the information in the registry may be used to verify my child has received proper immunizations and to inform me or my child of my child's immunization status or that an immunization is due according to recommended immunization schedules.

I understand that my child's information may be available to the immunization data registry of another state, a healthcare provider or designee, a local health department, an elementary or secondary school, a child care center, the office of Medicaid policy and planning, a licensed child placing agency, and a college or university. I also understand that other entities may be added to this list through amendment of I.C. 16-38-5-3.

☐ I hereby consent to the release of such information.

☐ I do not agree to the release of such information.
